March also celebrates National Girl Scout Day and the Girl Scout Birthday on March 12. This premier girls organization was founded by Juliette Gordon Low who envisioned an organization that would prepare girls to meet their world with courage, confidence, and character. In 1912, in the midst of the Progressive Era—and at a time when women in the United States couldn’t yet vote—this nearly deaf 51-year-old sparked a worldwide movement inspiring girls to embrace together their individuality, strength, and intellect. Girl Scouts emphasized inclusiveness, the outdoors, self-reliance and service. Millions of young girls and women have participated in this program.

Please take time today to celebrate the women in your life. Mothers, sisters, daughters, caregivers and more. Women represent the heart of our community and we couldn’t have gotten here without her.

**Free GED Classes In Auburn**

If you’re among the 38 or more million adults in the U.S. who never graduated from high school, then you’ve probably considered getting your GED® certificate, the adult learner’s alternative to a high school diploma. The GED certificate is worth considering, and it’s a credential worth getting.

The City of Auburn has a successful partnership with Lanier Technical Institute to offer free GED Classes to anyone 16 or over who needs to earn it.

Having the GED certificate opens up a lot of doors for advanced training. Most specialized training programs require either a high school diploma or a GED. Also with GED certificate, you’ll be eligible for most workplace or on-the-job training programs, along with higher educational opportunities.

Consider the impact on your family. Your family benefits because a GED certificate is a way to increase financial security. Research also shows that once parents get a GED certificate, they’re more likely to encourage their children to seek educational opportunities and complete educational milestones.

Classes are held morning and evenings in Auburn at the Auburn Center near Auburn Elementary. There is no cost to attend classes, and there are scholarships available to pay for the GED test.

English as a Second Language courses will also be available at the Auburn Center. The Winder Campus will be offering Citizenship Classes too.

**Barrow County School System has announced dates for Kindergarten Registration for the 2019-2020 school year**

Your child must be 5 years of age on or before September 1st, 2019 to attend Kindergarten. Kindergarten Registration and concept screening will be conducted from 8:00 a.m. until 3:00 p.m., at the Professional Development Center (Central Office), located at 179 W. Athens St. in Winder. To help alleviate crowding and disperse the registrations throughout the day, if at all possible, please attend during the time period listed that corresponds to the first initial of your child’s last name.

May 1st, Wednesday Auburn Elementary
May 3rd, Friday Bramlett Elementary
May 6th, Monday Statham Elementary
May 8th, Wednesday County Line Elementary
May 9th, Thursday Bethlehem Elementary
May 10th, Friday Hohenlebeck Elementary
May 13th, Monday Yargo Elementary
May 15th, Wednesday Winder Elementary
May 16th, Thursday Kennedy Elementary
May 17th, Friday Make up day at the Central Office

Register between May 1st and May 17th and your child will receive a free book, courtesy of the Barrow Book Partnership. You will also have an opportunity to sign up for a FREE PINES library card, from the Piedmont Regional Library System-Winder, Auburn and Statham Public Libraries.

Parents can go online, prior to their school’s registration day, to Registration Gateway at https://registration.barrow.k12.ga.us to Pre-register their kindergarten child. Pre-registration can take place anywhere you have internet access, and at any time. Once the pre-registration process is complete, parents/guardians will need to bring their child for concept screening and the following documents to registration, where your child will receive an enrollment for school:

1. Current proof of residency (dated within 30 days) such as a utility bill (electric, gas, water, cable/satellite, garbage or house phone), settlement statement or rental/lease agreement,
2. Student’s birth certificate (or legible copy of the Birth Certificate), or other acceptable proof of age and identity,
3. A copy of the enrolling student’s Social Security card (which is used solely for the purposes of identification and for application for the Hope scholarship and other post-secondary applications). Parents have the option of signing a waiver stating that they do not wish at the time of enrollment to provide a Social Security number.
4. Updated Georgia immunization form 3231, and
5. New health form 3300—the Georgia Department of Public Health requires the completion of the 3300 health form which includes vision, hearing, dental and nutrition screenings, and must be presented to school authorities when a child is being admitted for the first time in a Georgia public school. These forms are available online and from your Doctor or Health Department.

Parents are welcome and encouraged to tour in the required documents at any time to complete the enrolment process, however, parents should bring their child to be screened on the dates provided. Please visit our main website at www.barrow.k12.ga.us for required documents and more information. If you have any questions, please contact the registration department at 770-867-4527 or your local school.

We allow for a range of documents to demonstrate age, residency, identity and immunization status; exceptions will be made where appropriate, and no document will be required that would cause or result in discrimination based on race, color, national origin or immunization status.
