

ADDENDUM #1

RFQ 23-003

Design/Build/Remodel of Existing Structure at 1369 Fourth Avenue

This addendum is being issued to address questions submitted on RFQ 23-003.

1. Will only the companies that attended the pre-bid meeting be submitting proposals? **I am unsure if anyone else is submitting. However, they are welcome too since the pre-bid meeting was not mandatory.**
2. Due to no current DD Design/Development drawings or timeline set in place, we cannot guarantee proposed cost, only an estimated proposal. Would an estimated proposal be acceptable? **Yes, a proposal at this point will be acceptable.**
3. Do you have square footage of the buildings? **Each side is approximately 1750 sq ft.**
4. What is the current mechanical equipment, what size is it, and are you planning on reusing existing equipment? **The would be up to the contractor if the equipment is usable, we would like to utilize the equipment on-site.**

This addendum should be signed and returned with your proposal.
