

# CHIEF'S CALLOUTS

## Citizen's Police Academy

We are gearing up fast for another fantastic program. We have approximately 23 citizens signed for the class which starts August 2nd. We will have 10 classes then graduation. Topics include; traffic stops, clearing a building, domestic violence, SWAT, and fire services just to name a few. If you have never taken this class please consider it next year at this time

## Other Offerings From the PD

The City of Auburn Police Department offers many classes and trainings for citizens of Auburn.

We offer women's self defense classes, gun safety classes, and CPR classes throughout the year.

Check out our Facebook page by scanning the QR code on the left of this page for all of the information.

## MAYOR'S CORNER

Wow! We have made it to August already! Myself and your Councilmembers are looking forward to another great month in the City of Auburn. The weather outside is still incredibly hot and not always safe for our furry friends! I gave some tips in last month's issue of the Auburn Messenger and I want to make sure we all take care of our pets so you can scan the QR code to the right for some helpful tips

## JULY RECAP

We had an eventful July in the City of Auburn, from our always busy library with events for all age groups to our Parks Department with our OWLS Lunches to the special events to the parks themselves, there is never a dull moment in Auburn, GA.

This past month had a big headlining event the City pulled off on July 4th weekend. The celebration held on July 2nd showed off the talent and skills of so many city employees and departments. It was truly a remarkable event that was attended by thousands from Auburn and beyond.

## Food Truck FRIDAY

It is here!!! August 5th is FOOD TRUCK FRIDAY!

Come join us at the Whistlestop Shops in Downtown Auburn for food, music, and fun for the entire family. We will have music from Michael Pezent with 2nd Round Music who was incredible in June.

Bring your chair and appetite for some great times from 6:00-8:30pm on August 5th!

August is National Back to School Month

Back to school brings changes for EVERYONE! Whether you are in school, have children in school, or just commute to work during the week you will notice the change in traffic patterns. During these time we need to ensure we are doing all we can to keep ourselves and the children commuting to school or waiting for the bus safe at all times!

Back to school time can be challenging for children in our community in other ways also. Whether a child doesn't have the supplies needed, clothing, or is even suffering from food insecurity there are ways you can help. As a community I am confident we can continue to work together to help those in need.

Scan the QR code to the left to find some local groups that can provide assistance to kids so they can all get the education they deserve. There is also a link on our Facebook page to these resources.

Thank you,

Mayor Linda Blechinger

# JOB FAIR 8/9 and 8/11

- Maintenance Technician I
- Maintenance Technician II

FOR TIMES AND LOCATION

## AUGUST IS HERE

August, part of the “Dog Days of Summer”, not because of our wonderful pooches, rather it was the star Sirius, the Dog Star (brightest in the night sky), which rose at the same time as sunrise during the month of August in ancient Roman Times

I put my money where  
my house is.  
I SHOP LOCAL.
