-for discussion only

Item: **FY 2022 Budget Schedule**

Alex Mitchem presented

-placed on May 6, 2021 Council Business Agenda

James (Jim) Aton with Hayes/James Engineers, Planners & Surveyors gave an update and distributed packets to Mayor and Council on the progress at the Reservoir.

Packet (attached): **Sheet 1** – Floor elevations of building and water plant, **Sheet 2** – How we would handle traffic at the plant, **Sheet 3** – Shows utility services for the facility, **Sheet 4** – Is a drawing of the access road going in on the North side of the quarry of the raw water storage pond. Where the withdrawal pump station would be. Where the transfer pump station would be, and where Winder’s facility will be removing total suspended solids from the river water.

Jim estimates three weeks from Friday that the plans for the water plant will be submitted to EPD. **Jim** introduced **Corinne Valentine**, a new member, with Hayes/James. **Corinne** joined the team about 60 days ago and will be the Project Manager on the Water Line.

Respectfully submitted,

Joyce Brown, City Clerk

Read and approved this ____ day of May 2021

Mayor Linda M. Blechinger
