

Georgia Municipal Employees Benefit System
Open Access POS 80/60 - \$500 Deductible Plan
Schedule of Benefits

Effective January 1, 2023

All benefits are subject to the calendar year deductible, except those with in-network copayments, unless otherwise noted. In addition to deductibles, members are responsible for copayments and any applicable coinsurance. Members are also responsible for all costs over the plan maximums, where applicable.

Some services may require pre-certification before services are covered by the Plan. Please see the Benefits Booklet under Getting Approval for Medical Benefits for additional information. Primary Care Physician (PCP) selection is encouraged, but not required. No referrals are required.

When using out-of-network providers, members may be responsible for any difference between the Maximum Allowed Amount (see Benefits Booklet for definition) and actual charges, in addition to any copayments, deductibles and/or applicable coinsurance.

Deductibles, Coinsurance and Maximums	In-Network Benefit Level	Out-of-Network Benefit Level

**All family members covered under the Plan contribute toward the total Family deductible and Out-of-pocket maximums. The most any one family member contributes is the Individual amount. Once the Family amount is satisfied, there is no further accumulation for any family members for the remainder of the calendar year.*

The following do not apply to the Out-of-Pocket Maximums: Premiums, any amount above the Maximum Allowed Amount (see Benefits Booklet for definition), and charges for health care this Plan doesn't cover. Deductible and Out-of-Pocket amounts are accumulated separately for in-network and out-of-network services.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>In-Network</u> : \$500.00 individual /\$1,500.00 family <u>Out-of-Network</u> : \$1,000.00 individual /\$3,000.00 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. The <u>deductible</u> doesn't apply to in-network <u>preventive services</u> , prescription drugs, out-of-network <u>preventive services</u> through age 5, or hospice care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> and a <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	<u>In-Network (individual/family)</u> : Medical: \$3,000.00/\$6,000.00 Rx: \$1,600.00/\$3,200.00 <u>Out-of-Network (individual/family)</u> : Medical \$5,500.00/\$11,000.00 Rx \$3,200.00/\$6,400.00	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billed charges</u> by <u>out-of-network providers</u> , and	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

	health care this <u>plan</u> doesn't cover.	
Will you pay less if you use a <u>network provider</u>?	Yes. See www.Anthem.com or call 1-855-397-9267 for a list of in-network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
