

ADDENDUM #2

RFP 20-002

2020 LMIG Street Paving

This addendum is being issued to address questions submitted on RFP 20-002.

Q1. Do you want the contractor to do any shoulder work after the paving, because the road will be 1.5" higher than before?

A1. Yes.

Q2. I know the city will locate all manholes and utilities, but is the city going to raise them or is that the responsibility of the contractor?

A2. Yes, the City will raise them.

Q3. Do you require any striping on this road?

A3. No

Q4. What are the work hours?

A4. 8 am – 5 pm.

Q5. Do you want any milling on the ends of the street before paving to provide a smooth joint?

A5. Yes.

Q6. What mix type does the city want for the paving, 12.5mm or 9.5mm?

A6. 12.5mm

This addendum should be signed and returned with your proposal.
