Policy

Established May 3, 2001

NEW SERVICES WILL BE CONNECTED WITHIN 48 BUSINESS HOURS EXCLUDING HOLIDAYS!

Payments are due on the 15th of each month by 4:30 pm unless otherwise noted on the utility bill. If the 15th falls on a Saturday, Sunday or Holiday the due date is extended to the following business day.

A Penalty in the amount of 10% of the account balance will be assessed the business day following the due date.

Accounts with an unpaid balance after 4:30 pm on the 25th day of the month are subject to disconnection without prior notification and an administration charge is placed on the account. If water is disconnected for non-payment, service will be reconnected within 24 hours upon FULL payment of ALL past due balances PLUS the Admin Fee at City Hall.

If you request a re-read of your meter and it is determined that an error occurred in the reading, the re-read fee will be waived.

Please contact Republic Services at 770-867-4367 to set up sanitation service for inside the city limits.

The City Clerk has the option of increasing the deposit should the utility account become delinquent. Deposits are applied to the account balance after one year if the account remains in good standing. Your first bill may be just the base rate if service is started a few days before bills are posted.

If payment is returned due to insufficient funds, we will attempt to contact you at the phone number listed on your account and we will inform you by mail. If the account has two payments that are returned for insufficient funds, the account will be placed on a cash only basis. Once the account has remained in good standing for one year, the City of Auburn, will change the account to accept all forms of payment.

Any damage to the meter or components will result in a $100 charge added to the account.

By signing below I acknowledge that I have read the above policies and I have received a copy of the utility rates. I understand and agree to the above policies.
